SMALL SHED/TRELLIS WORKSHEET

(less than 120 Square Feet)

Use the form below to note details of the small shed or trellis you are proposing to construct on your property.

Address:_____

Size of proposed structure: Total square feet _____ Height at peak_____ Wall height_____

Proposed use of structure: _____

* Use the space below to provide a plot plan showing: all your property lines, an outline of your house, placement of proposed structure, distance of proposed structure from all property lines and house, and the size and placement of any other accessory structures on your property.

- I understand that even if the structure does not require a building permit, it must be built to current Building Code.
- I understand that if I ever add square footage, plumbing, electrical, or mechanical components to the structure I will have to get a permit.
- I declare under penalty of perjury that the above information is correct:

_____ _____ _____
Signature of property owner Printed name Date

Approval of structure dimensions, use, and placement by City of Davis Planning Department
