

# Basic Trades Permit Fee Chart

Multiple basic trade permits are obtained under the same permit number. The three basic work trades are: plumbing, mechanical, and electrical. This table works under that premise that multiple permits will be obtained under the same permit number. Table A is used for single trade work, Table B is used for two trades, and Table C is used for three trades.

<b>Valuation of Job</b> (Include Labor and Materials)	<b>Table A</b> single trade permit.	<b>Table B</b> 2 trade permits - plumbing and electric; mechanical and electric, or mechanical and plumbing	<b>Table C</b> 3 trade permits - electric, plumbing, and mechanical.
