

As of January 1, 2011 the
City of Davis Green Building Ordinance
will be repealed and replaced by the

2010 California Green Building Standards

The City Council has repealed the Green Building Ordinance and adopted the **Green Building Code** with the following amendments, deletions and additions:

- a) All buildings subject to the requirements of the California Green Building Standards Code shall comply with the Tier 1 requirements contained therein.
- b) Section 107 is hereby added to read in full as:
Alterations, Additions and Remodels.
Notwithstanding anything in this code to the contrary, additions, alterations and remodels requiring a permit pursuant to Article 8.01 of Chapter 8 of the Davis Municipal Code shall comply with the provisions of this code as amended. The requirements of this code shall apply to such work to the extent applicable.
