

# Tell Us What You Think!

Covell Village Application  
Public meeting, June 30 2004

Please note: This is not a CEQA form.  
CEQA comments should be directed  
to the environmental consultant

If the project is approved, these components should be retained:

If the project is approved, these components should be changed:

The City should consider...

The most important considerations for me are:  
(Please select 3-5; add your own!)

- Limiting traffic impacts
- Preserving downtown vitality
- Providing employment opportunities
- Improving fire protection
- Quality of design and construction
- Protecting the city fiscally
- Efficient use of the land
- Accommodation for bicycles and transit
- Protecting the school system
- 
- 
- Building student housing
- Building subsidized housing
- Building "workforce" housing
- Building "move-up" housing
- Ponds and habitat areas
- Ensuring phased development
- Energy-efficient buildings
- Preserving agriculture
- Shopping opportunities
- 
- 

Feel free to use the back of this form for additional comments
