

2009 – 2010 CDBG/HOME APPLICANT QUESTIONS AND RESPONSES

Name of Organization: **Davis Community Meals-CWS**

Project Title: **Cold-weather Shelter Services**

1. Is it correct to conclude that, given the goal of 1,200 bed/nights, the cost would be \$27 per bed/night. With two people in a room, could the project pay for a commercial lodging and eliminate the need for staff supervision?

I do not think we would be able to locate a lodging facility that would be willing to accommodate homeless individuals under the same conditions we accept them into our shelter. As we accept individuals who are not clean and sober and who may have mental health issues, it is unlikely that a local motel or lodging facility would voluntarily accept individuals under these circumstances.

2. Please provide a list of your Board of Directors.

See Attached

3. Due to limited funds, what is the minimum amount that your agency could benefit from/use?

\$11,500
