

2009 – 2010 CDBG/HOME APPLICANT QUESTIONS AND RESPONSES

Name of Organization: Yolo Community Care Continuum-PS

Project Title: Support Services

1. Please verify the total cost of the project. Based on the Project Budget, is \$98,196 the total operating cost for providing support services to residents of the New Dimensions Supportive Housing Project in Davis for one grant period?

The \$98,196 represents the New Dimensions Supportive Housing Project for Davis and Woodland. The request for \$15,000 from Davis CDBG is to be used to partially support the salary of the supportive services worker who provides services to 29 Davis residents. The non-personnel budget expenses listed represent the expenses of houses in both Davis and Woodland.

2. Due to limited funds, what is the minimum amount that your agency could benefit from/use?

The minimum amount that would help support the housing support worker position would be \$6,700.
