

2010-2011 CDBG/HOME APPLICANT QUESTIONS AND RESPONSES

Name of Organization:	Yolo County Dept. of Employment & Social Services - Homeless Coordination
------------------------------	--

Project Title:	Homeless Coordination Project

1.

Question	Answer
With the number of applications and the small amount of funding available for public service grants, the city is having to make difficult funding decisions. What is the minimum grant amount that your organization could use and still maintain the service your grant application describes? Or is there a crucial component of your application that requires this funding and how much is the cost of that component?	The portion requested is the full amount needed from the City of Davis to fund their share of the part-time Homeless Coordinator position. Each of the four entities (County, cities of Davis, Woodland and West Sacramento) funds the same amount. We would be unable to continue to provide these services, which bring in over a million dollars to homeless service providers, including providers in Davis.

Responses are due **NO LATER THAN MARCH 8th**. The responses must be submitted as a Word document using the above format. The responses should include both the questions and answers. Responses must be submitted via e-mail. E-mail should be addressed to dmerschat@cityofdavis.org. Responses should not be mailed.
