11.

Question	Answer
With the number of applications and the small amount of funding available for public service grants, the city is having to make difficult funding decisions. What is the minimum grant amount that your organization could use and still maintain the service your grant application describes? Or is there a crucial component of your application that requires this funding and how much is the cost of that component?	We understand the high demand for limited dollars, and we would be able to make use of any amount for the purpose of subsidizing clients who are unable to pay for services.
