Dear Colleague:

The Annual Yolo County Child Development Conference is scheduled for Saturday, March 20, 2010. This conference offers presenters and attendees smaller, more personal, discussion style workshops. Last year we had a huge success with over 300 participants attending 21 workshops. The Conference is an all day event with 3 different workshop tracks. Workshops cover a variety of topics, from various child development topics to incorporating science/math into a young child's learning environment. Topics of interest are geared towards center staff, family child care providers, parents/guardians, Preschool and Kindergarten teachers and community members who work with young children.

If you are interested in presenting a workshop(s), please complete the enclosed workshop proposal form and return it as soon as possible. All submissions will be reviewed and potential presenters will be notified.

***Send your completed packet to:***

***Deadline for turning in proposal: December 18, 2009***

We are able to pay a small honorarium of \$75.00. If a presenter donates their services, they will receive conference registration/supplies along with a free lunch in return for their generosity.

If you have any questions, please call (530) 757-5695 and ask for Robbie Townsley. I appreciate your prompt return of the enclosed form.

Sincerely,

Conference Supervisor  
Robbie Townsley
