Environment Rating Scale Improvement Plan (ECERS-R, ITERS-R, FDCRS)

After completing the Environment Rating Scale, complete this improvement plan to identify one area that is successful and two areas that you improved. Use this as a plan to make improvements to your environment. All improvements must be completed before April 2nd.

Scale Item/ Number	Your Rating Score	Description of Success <i>(Describe what made this area successful)</i>	
Blocks 22	6	<i>Example: My classroom has a variety of blocks (large and small wooden blocks, homemade cardboard blocks) and a variety of accessories (block play people, animals, cars and trees). The block area is organized and accessible for 5 hours a day.</i>	
Scale Item/ Number	Your Rating Score	Description of Improvement <i>(What you need to improve this area)</i>	Your Plan & Date of Completion <i>(How and when you accomplished this plan)</i>
Dramatic Play 24	3	<i>Example: My classroom needs more dramatic play materials (clothes, shoes, house items, dishes, food). It needs different themes and the items need to be organized better.</i>	<i>I asked parents for donations for our dramatic play area. I purchased containers for the different clothes and started labeling the boxes to help the children recognize the items inside. 2/23/07</i>
