The Conditions of Use for Playfields Park have been developed to ensure that all field users are made aware of the rules and regulations governing use of City of Davis athletic fields. It is the responsibility of every team official, player, parents of players (for youth organizations), and spectator to be aware of the following terms and conditions. Coaches and their affiliated organizations will be held responsible for the conduct and behavior of players and spectators in the field areas. The facility applicant/renter is expected to adhere to the rules and regulations governing city athletic fields in order to ensure both the safety of participants and the preservation of the city facility. Applicants/renters or home teams must inform visiting teams of these rules and regulations, and make sure all officials fully enforce the Conditions of Use.

City staff will be scheduled to open fields, please call Davis Police Department if there are any delays in the field being opened (747-5400).
