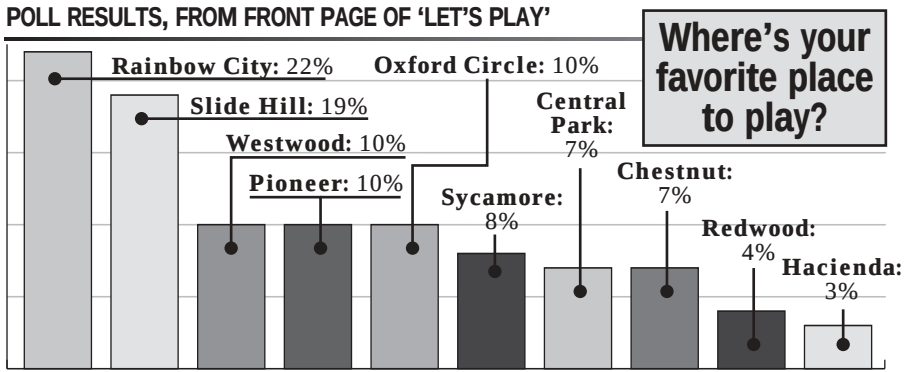
POLL RESULTS, FROM FRONT PAGE OF 'LET'S PLAY'

Where's your favorite place to play?



Name that park: Got a nickname?

Do your children or their friends have a special nickname for a favorite local playground? Davis parks all have formal names but we would like to hear other interesting and unique nicknames that have been created.

Look at the "Park Index" chart above to see the nicknames we already know about. Have you visited the "Pirate Park" in east Davis or the "Flying Saucer Park" in west Davis? Every playground develops its own character based on the interactions of users who come up with fun, descriptive names.

We would like you to share your nicknames with us by filling out our online survey. From any computer with an Internet browser, go to the Web site: **http://www.cityofdavis.org/pcs/playgroundsurvey/** and tell us how you, your family or your friends refer to a favorite Davis park.
