The Playfields Park Conditions of Use have been developed as a supplement to the Athletic Fields Rental Information to ensure all field users are made aware of the rules and regulations governing use of the City of Davis Playfields Park facility. It is the responsibility of every team official, player, parents of players (for youth organizations), and spectator to be aware of the following terms and conditions in addition to the Athletic Fields Rental Information. Coaches and their affiliated organizations will be held responsible for the conduct and behavior of players and spectators on the field and in the surrounding areas. The facility applicant/renter is expected to adhere to the rules and regulations governing city athletic fields in order to ensure both the safety of participants and the preservation of the city facility. Applicants/renters or home teams must inform visiting teams of these rules and regulations, and make sure all officials fully enforce the Conditions of Use.

To protect the field's surfaces and maximize the life of both the natural and synthetic turf, all participants are required to follow the Conditions of Use as outlined below:

City staff will be scheduled to open fields. Please call Davis Police Department at (530) 747-5400 if there are any delays in a field being opened.
