POST-STORAGE VALIDITY HEARING

Towed Vehicle

Impounded Vehicle

The registered and legal owners of the vehicle described on the "Notice of Storage", have the right to request a post-storage validity hearing with the agency that directed the vehicle be stored. The purpose of the validity hearing is to determine if probable cause for storage exists.

In order to receive the post-storage hearing, such owner(s) or their agents must request the hearing in person, writing or by telephone within ten (10) days of the date appearing on the notice. The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays.

You may request this hearing by calling (530) 747-5400; by completing the below form and mailing it to the Davis Police Department, at the above address; or by coming in person to the Davis Police Department.

Failure of either the registered/legal owner, or their agent, to request or attend a scheduled hearing shall satisfy the post storage validity hearing requirements of Section 22852 of the California Vehicle Code.
