

## NEIGHBORHOOD PACE CAR PROGRAM PLEDGE

Realizing that my car use impacts the livability of other residents and their streets, just as theirs impacts mine, I hereby pledge to:

1. **Drive within the speed limit on all community streets in Davis.**
2. **Treat all pedestrians and bicyclists with respect and will share the road safely with them.**
3. **Give myself enough travel time so that I'm not sacrificing courtesy or safety.**
4. **Not be pressured by other drivers' impatience to exceed the posted speed.**
5. **Devote my full attention to driving and avoid distractions such as cell phones.**
6. **Choose to DRIVE LESS by walking, bicycling and taking mass transit when I can in order to reduce traffic congestion, save money and improve the environment in my community.**
