

# *Davis Police Department Traffic Unit – Mission Statement*

The mission of the Davis Police Department's Traffic Unit is to maintain and improve the safety of all pedestrians, bicyclist and motorists who utilize the roadways, sidewalks and bike paths in the City of Davis.

We achieve this through:

- Partnership with the community.
- Involvement in engineering, education and enforcement of all traffic related laws.
- We maintain a parking infrastructure that allows for people to park as safely and efficiently as possible.
- Through fair and consistent enforcement of parking rules and regulations, we ensure parking availability is increased in order to encourage visitors and patrons to enjoy the City of Davis.
