

CONTACT INFORMATION

The City of Davis contracts with Davis Waste Removal (DWR) to collect trash, recyclables, yard materials and perform street sweeping within the city limits. Billing for these sanitation services is handled by the City's Finance Department.

The UC Davis R4 Program is responsible for recycling on the University of California - Davis campus. UC Davis Student Housing and R4 Recycling organize recycling in off-campus resident halls; UC Davis Grounds and Solid Waste Divisions provide collection service.

The following contacts may be useful for answering any questions. All telephone area codes are (530) unless noted otherwise.
