Come visit 103.5 The Bomb and the City of Davis this Saturday, August 8 from eleven to one at the Kragen-O'Reilly Auto Parts Store in Davis on Research Park Drive. There will be free used oil recycling products for the do-it-yourself oil changer, including drain pans, funnels, rags, tire gauges, and mats. "We want to encourage anyone that changes their own oil to recycle it and the filter as well", says Jennifer Gilbert, Conservation Coordinator for the City of Davis. In Davis there are 5 State-certified used oil collection centers that accept used motor oil from the public for free: Kragen Auto Parts, Davis Waste Removal, Davisville Express Lube, Jiffy Lube and SpeeDee Oil Change and Tune-up.

For more information about used oil recycling, visit www.davisrecycling.org. The promotional event and all giveaways are funded by a grant from the California Integrated Waste Management Board. The City of Davis Recycling Program can be reached at 757-5686 or by email at pwweb@cityofdavis.org.
