Customer Benefits

Access to your water usage data 24/7.

The online customer water use portal will show you how much water you're using on a daily and hourly basis.

Save money.

Knowing your daily and hourly water use can help you make informed decisions about using water efficiently. This can help you save money on your next bill.

Spot and stop leaks.

You can set up water alerts that will notify you about continuous water flow that could be from an undetected leak.
