Welcome to the Building Permits online service.

You can apply for single trade permits such as furnace or A/C replacements, sewer line repair or replace, siding, water heater replacement, ceiling fans, sprinklers valve replace or new, water softener or reverse osmosis, and whole house fans.

To apply for a permit, please complete and sign the permit [declaration form](#) and email it to onlinepermits@cityofdavis.org. Permits are not valid until payment and declaration form have been received. You will need the exact property address to apply for your building permit.

If you are pulling a permit associated with a resale inspection additional fees may apply to your permit after issuance.

Declaration form is required for all building permits
