

City of Davis
TRAFFIC CALMING PROGRAM PETITION FORM

Street name: _____

Locations of concern (e.g., C St to D St): _____

Resident Support

Name, address, email and signatures required from at least a majority of neighborhood residences whose property line is immediately adjacent to the subject street. One vote per household is permitted.

We, the undersigned residents of _____ (street) between _____ (street) and _____ (street), do hereby request the City of Davis, to install traffic calming devices on our street to attempt to slow speeding drivers. By signing below, we understand that traffic calming devices may include non-physical and or physical measures with related signing and pavement markings, and may be installed in front of our residence. We also understand that installing these vertical devices may produce some noise and slow emergency response time to our home(s).
