

# Yolo County Homeless Assessment and Referral System

♦ **Are you or your family homeless, or at risk of becoming homeless, in Yolo County?**

Do you need a safe place to sleep or help with basic needs? You can access the Homeless Assessment and Referral System at Points of Entry throughout Yolo County.

♦ **What is the Homeless Assessment and Referral System?**

The Homeless Assessment and Referral System is a way for people to connect with services related to homelessness in the community. At Points of Entry, a staff person will assess you or your family’s needs and connect you with services such as shelter, housing search help, basic needs, and more.

♦ **How do you get help through the Homeless Assessment and Referral System?**

First, contact one of the designated Points of Entry below. Tell them that you need help accessing services from the Homeless Assessment and Referral System.

♦ **Where can I go to get help?**

See the maps and contact information to the right and on the next page, for locations throughout Yolo County.

♦ **How do I get help after hours?**

If you are having a life-threatening emergency, call 9-1-1.

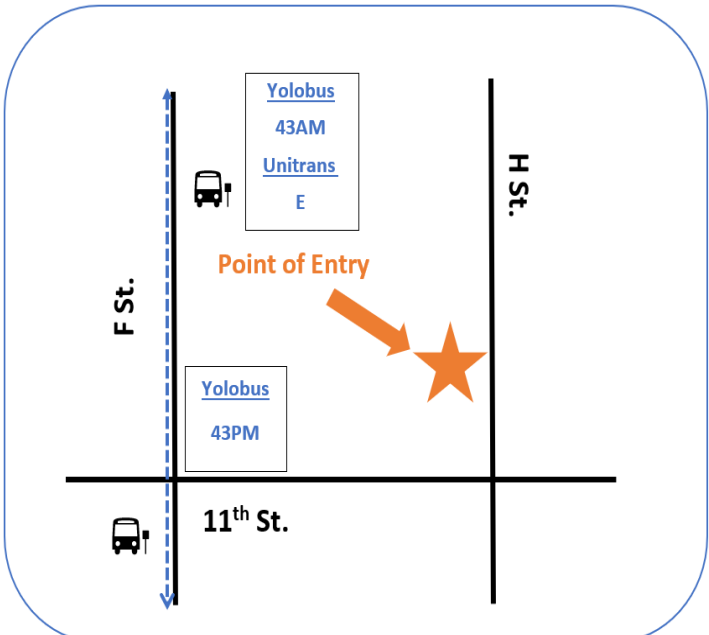

If you need immediate (non-emergency) assistance after hours, call 2-1-1, a FREE number that everyone can access for information on where to go for help with food, shelter, benefits, and more.
