**CITY OF DAVIS
MASTER TREE LIST**

CITY OF DAVIS MASTER TREE LIST			Street Tree	Parking Lot	Small – 15 to 25 feet	Medium – 25 to 40 feet	Large - 40 + feet	Evergreen	Flowers	Drought Resistant	Growth Rate
Botanical Name / Common Name	Tree Location	Notes (for parking lot trees)									

Notes:

Growth Rate – Fast, Medium, Slow.

Height is estimated at maturity.

Crown diameter is estimated at 15 years after planting.

Only those species checked for Street/Parking Lot use are to be planted in street easements, public and private parking lots.

Trees not specifically listed may be used upon approval from City Arborist.

Trees marked with ‘*’ are for trial use and should be planted in small numbers.
