

# Fold a simple liner for your kitchen pail!

**Step 1:** Take a full sheet of newspaper and fold it in half to make a triangle.

**Step 2:** Take one corner of the triangle and fold it across to the other side.

**Step 3:** Take the other corner of the triangle and fold it across to the opposite side.

**Step 4:** Fold the top of the triangle down.

**Step 5:** Flip it over and fold the other top of the triangle down.

**Finished!**

Place the liner in your kitchen food scrap pail to keep it clean.
